Issue 188

Dear Summit Families & Friends,

Wow! Our last week of school is here. Can you believe it? First, let me take this opportunity to thank all of you for your wonderful support given to both Summit and to the Talmadge family in our first year in Cashiers. We feel so blessed to be living and learning in such a wonderful community, and your open arms have made this an easy transition for me and my girls.

We have quite a bit of business jam packed into our final week on campus. EOG retakes will begin on Monday and continue throughout the week. We hope that you will be able to join us for the official dedication and donor recognition on Wednesday at 10:00am. Move-up day is also scheduled for Wednesday at 2:00pm, and Field Day is on for Thursday.

Finally, I want to offer huge congratulations to our 8th grade class who will be graduating from Summit on Friday at 10:00am. Weather permitting, the commencement ceremony will be held in the courtyard; but, if rain gets in our way, we will move to the Cashiers Public Library. Parents of all grades are welcome to attend and help celebrate the many great accomplishments of our class of 2009.

I wish you all a wonderful last week, and hopefully I will be able to bid you farewell in person before you depart for a great summer.

Thanks again and take care,

Dr. Jack Talmadge
Director
