Issue 21

2004-2005 Honor School of Excellence

2005-2006 School of Distinction

2009-2010 School of Distinction

2011-2012 Honor School of Excellence

2012-2013 Honor School of Excellence

Dear Summit Families and Friends,

We had a great Open House with 6 families attending. Thank you for inviting friends to visit Summit. Our next Open House is Friday, February 24 at 9:30. Please invite potential parents and students to learn more about what we have to offer.

Pre Enrollment Surveys will be in your Green Folders today. We are making plans for next year's enrollment and want to be sure to hold a place for your child if it is your intent to return. Please complete this form and return it to school by February 27.

Late arrivals and early dismissals are very disruptive to the classroom and demonstrate a lack of respect for the school schedule, the teachers, and students. Please be mindful that class begins at 9:00am sharp. Students must be in class, ready to start the day by 9:00am, or they will be counted as tardy. If your child is late, please stop by the front office to sign in and get a Pass for Class. Remember, carline now begins at 8:40, allowing ample time to get to class.

The 100<sup>th</sup> day of school is Wednesday, February 1.

Congratulations to our basketball teams on great wins last Thursday vs Highlands. (Our 8th Grade was the winner of a Free Dress day, this Friday, for most attendance at that game!) We begin the conference tournament today (Monday) with the boys playing against Eagle Ridge at 5:45 at Highlands School. Our girls finished the regular season conference schedule 10-0 and earned a bye in the first round. The girl's first round game will be at 4:30 this Wednesday at Highlands School. The girls will play the winner of Nantahala and Rabun Gap. If the boys win Monday night, they will also play on Wednesday at 5:45 against Highlands. Please come out and support our basketball teams in the playoffs this week.

Have a great week,  
Danny Howell  
Director
