The Official Newsletter for Summit Charter School

CELEBRATING 20 YEARS OF EXCELLENCE

NOVIEMBRE 13, 2017

Vol.12

Dear Summit Families and Friends,

We are looking to add non-curriculum interest clubs to our middle school during non-school hours. We currently have an FCA (Fellowship of Christian Athletes) meeting during lunch on Mondays, a Lego Robotics Club meeting after school, and are adding an Odyssey of the Mind club in January. If you would be interested in sponsoring a club, we are looking for sponsors for clubs like a drama club, and perhaps others of student interest.

Pre-enrollment surveys will be in your green folders today. We are making plans for next year's enrollment and want to be sure to hold a place for you child if it is your intent to return. Please complete this form and return it to school by December 19.

We have an SFA meeting tomorrow, November 14th at 5:00 p.m. Please join us to hear about the new academic and STEAM initiatives planned for next semester at Summit, learn about our new Math curriculum and how to help navigate iReady at home so our students can practice their grade level skills.

This Friday, Nov. 17th at 9:00 a.m., Lauren Bennett will host a "Coffee Talk", here on campus, for parents about internet safety for our children. Topics range from social media, cyber bullying and tips for navigating the internet safely. Hope to see you there.

As the holiday season approaches, remember to shop online at Amazon. It is so easy to do, just go to smile.amazon.com and choose Summit Charter School Inc. as your charitable organization. Our location is listed at Rutherfordton, NC. Amazon donates 0.5% of the purchase price of eligible products. So next time you start to type in amazon.com, please type smilie.amazon.com instead! Our School Store is also up and running and would make great gifts! Go to summitschool.org and click on School Store. Place your order before December 7 to receive your order before Christmas!

Have a great week and thank you for all you do,

Danny Howell

Director

SFA NEWS

Everyday Math, Common Core, i-Ready, oh my!

Join us at our SFA meeting, tomorrow at 5:00, to learn how to help your child understand and implement the mathematical concepts of the Common Core Curriculum. Teachers will also demonstrate how to navigate i-Ready, so our students can practice their grade level skills and feel more comfortable using i-Ready at home.

All families in attendance will earn their child/children a Free Dress Day!, this Friday, Nov. 17.
