## CELEBRATING 20 YEARS OF EXCELLENCE

February 5, 2018

Vol.21

Dear Summit Families and Friends,

We have an Open House scheduled for prospective families and students on campus for Friday, February 23 at 9:00 a.m. Word of mouth advertisement is the best way to promote Summit. We are asking for our current families to invite families of potential students to attend one of these open houses to learn more about our great school. We will offer campus tours, coffee and doughnuts and a brief overview of the school and application information. We will be respectful of our guest's time and make our presentation concise and informative. Thanks in advance for helping to spread the word!

We are sending home Mid-Year Statements for Family Volunteer Hours today. Please make sure you are recording volunteer hours on the back of green folders that go home every Monday. Contact Heather Koonts at 743-5755 if corrections need to be made. We thank you for your continued support to Summit.

Our can drive was a great success. All together we raised over 2200 cans to donate to Fishes and Loaves food pantry! The following grades met their goal of at least 10 cans per student and earned a free dress day this Friday, February 9: 1b, 2nd, 3rd, 4th, 6th and 7th.

Congratulations to our Middle School Girls Basketball team for defeating Tallulah Falls Saturday morning 37-24 to become back-to-back Tri-State Conference Champions. Our girls finished the season with a school's best 14-1 record and a second Conference Championship. Great job girls on two Conference Championships and a 28-2 record for the past two seasons! Congratulations to our boy's basketball team for defeating Next Charter 34-26 to advance to the Conference Semi-finals where we were defeated by Highlands, eventual conference champions. Great job guys, and congrats on an excellent season.

Thank you to everyone who came out to support Summit during the season and especially at the finals on Saturday! Thank you also to the parents for their support all year and to Coach Gene Borino for all of the hard work and time you put in with these kids this year. We have enjoyed great participation in the basketball program with 27 boys and girls making up our teams. We are very excited about the future of Summit Basketball, having a new gym next year and hosting our first on campus home game! Go Bears!

Thank you for all you do,

*Danny Howell*

Director
