2011-2012 Honor School of Excellence

Dear Summit Families,

Happy Valentine's Day! It would appear that our winter weather has returned to Cashiers. Ski school is back in session, and the forecast suggests some frozen precipitation may be heading our way. Again, please stay tuned to ABC News 13, NBC News 4, and/or the school's answering machine for information on openings and delays.

Please note that students will be dismissing at noon this week on Friday, to allow our faculty to conduct staff development and training. It is always good for the teachers to play the role of student, and to prepare the Summit program for successful growth and progress. As a whole, the kids at Summit are doing really well and continue to reach high levels of expectations. I have been so proud of their performance, and want to make sure their needs are being met through quality in the instructional program.

Enjoy the early start to your Presidents Day weekend.

Take care.

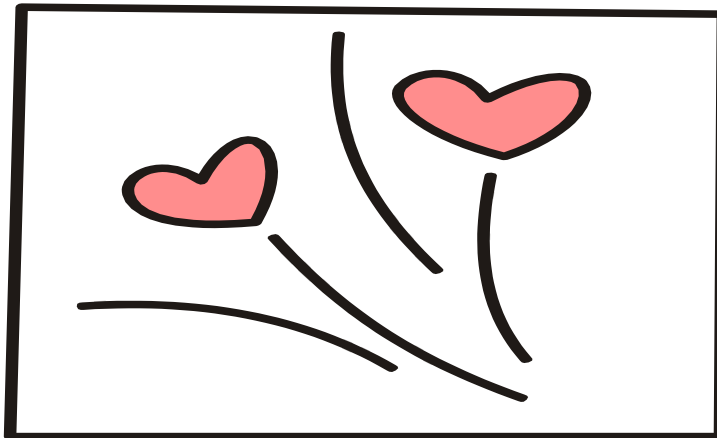

Dr. Jack Talmadge
Director

SFA News and Updates

Box Tops are due by Friday.

Mark your calendar for the upcoming SFA meeting and family game night, Feb. 23 in the Summit library. This fun filled evening begins at 5:30 with a brief meeting, followed by games and prizes. Please note, there will not be food at this event.

(Any parent that would like to donate a small gift/trinket for this evening, please contact Tanya Branham @508-4365 before Friday.)

Dates to Remember

Friday, 2/17 - Noon Dismissal

Monday, 2/20 - President's Day No School

Thursday, 2/23 - SFA Meeting and Family Game Night 5:30

March 26 - 30 - Spring Break
