The Official Family Newsletter for Summit Charter School

May 20, 2024

Volume 36

Dear Summit Family,

This week, as we close out Summit's 27th school year, we have so much to celebrate. From the academic and character growth that our students have achieved in the classroom and deepened through trips and experiences beyond; from hiking "13 Summits" to serving across our community; to creating brilliant artwork and musical performances; to deepening skills on the playing field, earning 5 Tri-State Conference championships, and leading our high school athletics program to a new level of competitiveness; from finishing Kindergarten to walking across the stage of the Summit Center as Summit's third class of high school graduates...we are so very proud of our students. To our faculty and staff, parents and guardians, and our many community supporters, thank you for all your support of our school and your dedication to our students. We have so much to be grateful for as a Summit Family.

We hope you will join us in celebrating our students and the completion of the school year on Wednesday at 9:00 AM in the courtyard for our end of year Round Up and Move Up Celebration. Parents in attendance may check their students out from their classroom. All other students will be dismissed from carline starting at 12pm.

Thank you for your continued support of our school. I hope you have a wonderful summer!

With gratitude,

Kurt

FRONT OFFICE NEWS

FOR INFORMATION

If you are interested in completing volunteer work in Summit's Outdoor Classroom from May 6, 2024, through July 31, 2024, check out the list of chores to be done. Please sign up for a volunteer position at least a week before to ensure that I can get all the equipment you may need in a place for you to access if you need to use Summit's equipment. I will check my email every Friday by 12:00 PM during the summer for signups so I can return communication before the date you complete the work. Thanks for helping to make Summit Charter School's Outdoor Classroom the best it can be.
