### Public Notice

The US Environmental Protection Agency (EPA) Asbestos Emergency Response Act (AHERA) requires all schools to inspect building materials for the presence of asbestos. AHERA excludes schools if they were constructed after 10/12/88 and have a signed statement from architect/engineer responsible for construction, stating that no asbestos containing-building materials were specified for use in construction of the school. We have been provided such a statement and therefore are exempt from the requirement to conduct an asbestos inspection.

The EPA requires that annually we notify you that we are aware of the AHERA regulation and we are in compliance. The Management Plan is available for your review during school hours (M-F, 9:00 am to 3:30 pm). The A P Manager, Marie Starkings, is available to answer any questions you may have about the MP (828-743-5755 ext 204).

**Faculty Member or the Week:**  
**Hannah Moody**

### Good News!

Subway school lunches will be starting Nov. 1st

They will be offered Tuesdays & Thursdays.

There will be two increments offered this school year; one for the months of November and December and

**SUBWAY** one for January-March. **SUBWAY**

Forms and details will be available at Subway starting the week of October 22nd. Checks and cash only.

## Middle School Coat Drive

October 22nd - November 2nd

As the weather starts to get cooler outside, our middle school Student Council students have decided to reach out and help fellow NC students affected by Hurricane Florence.

Our students will be collecting new and gently used winter coats to donate to the students of HJ MacDonald Middle School in New Bern, NC. Over the next 2 weeks feel free to leave your winter wear or monetary donations in the box at the front office. What better way to show our virtues of compassion and giving than to reach out to other students in need! Thank you in advance for your contribution and **GO BEARS!**
